## Description

A new luxury project is under construction in the Kargicak area. To the sea 750 meters.

The project will be completed and commissioned in March 2022. The complex will comprise 3 five-story blocks. Your attention is invited to 66 apartments of them:

- 24 1+1 apartments
- 19 2+1 apartments
- 12 3+1 apartments
- 8 apartment's layout 4+1

The peculiarity of this complex: penthouses with a private pool. All apartments are rented with a full fine finish, equipped with bathrooms, and a kitchen.

The residents of the complex are offered a summer swimming pool with a children's area, a winter pool, a Finnish sauna, a Turkish hammam, a Roman steam bath, massage rooms, a fitness room, a children's playground, a well-groomed green area with walking paths and fountains, gazebos for relaxation, an electric generator, closed parking, security, and video surveillance.

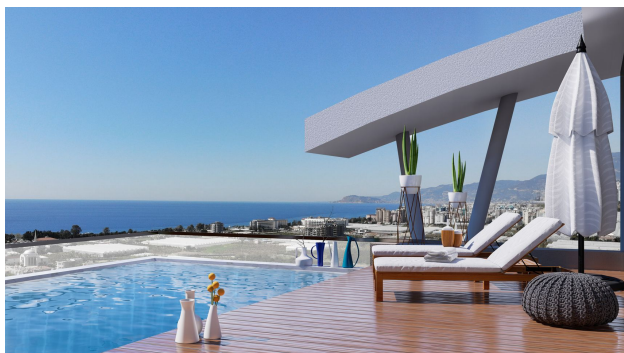

The Kargicak area is a tidbit on the seashore. The very green and elite area is proud. A feature of the development is villas and private residences. This area is suitable for a quiet and measured rest, for those who are tired of the hustle and bustle of the big city and are looking for solitude with nature. Kargicak has excellent beaches and azure clear water. It is also the

closest area of the city to Gazipasa International Airport. The distance from the airport is 20 km.
