## Description

We present to your attention a new complex under construction in the Avsallar area, with beautiful sandy beaches. The main beach is Incekum. This offer will be an excellent option for those who want to buy a new apartment for a comfortable stay or for those who want to make a profitable investment.

For sale are apartments with layouts 1 + 1, 2 + 1 and garden duplexes 2 + 1, 4 + 1. There will be 65 apartments in total. The price of apartments includes full finishing, complete with wardrobes and sanitary ware bathrooms, as well as kitchens. Water heaters and air

conditioners will be installed as a gift from the developer!

The complex is in a closed area with a total area of 3770 sq.m. The complex will comprise one 11-story block. Already from the third floor will open a gorgeous view of the sea!

The infrastructure of a 5-star hotel is on the territory of the complex: summer and winter pools, Turkish hammam, sauna, Roman steam room, gym, sports courts for playing basketball, tennis, and volleyball, games room, cinema, covered parking, electric generator, video surveillance system.

The commissioning of the complex is scheduled for the end of June 2022. 0% installment until the end of construction with a down payment of 35%.

The Avsallar area is a very popular place, which is chosen for a comfortable stay. Because of this, real estate in this area is very well rented out. Avsallar is distinguished by its sandy beaches with a gentle entrance to the sea, as well as coniferous forests.

Avsallar is surrounded by the Taurus mountains, which protects it from the wind and constant rains. In summer, the air temperature reaches 40 degrees, and in winter, the average air temperature is 10-15 degrees Celsius.
