Description

Exclusive project of 4 separate villas, each with its own garden and swimming pool.

- Distance to the sea: 2.8 km
- View of the mountains / View of the fortress / View of the sea

The villas are located in the Bektash area in Alanya! The most famous place where you can enjoy some of the most stunning views in the entire Turkish Mediterranean region.

Sit on the pool terrace or on any of the 2 south facing balconies and admire the Mediterranean Sea and the centre of Alanya. This view can be admired in the evening, when Alanya Castle catches fire and the harbor comes alive.

Real estate in Bektash, as a rule, is villas or large family houses, not apartments, and here you can find a fairly magnificent property. If you prefer privacy and peace, Bektash is a great option.

You can be sure that only materials of the highest quality will be used in the construction of these houses.

In the complex of 2 types of villas:

- 3+1 - 157 m² - 2 bathrooms (1 bathroom), 1 toilet and 2 balconies on the south side.
- 4+1 - 162 m² - 3 bathrooms (1 bathroom), Turkish bath, sauna, shower and 2 balconies.

Construction will begin in March 2021, with completion scheduled for May 2022.

We can offer an interest-free payment plan for this project with equal instalments (monthly or quarterly) during the construction period.
