Description

The new modern luxury residential complex with magnificent views and chic infrastructure will be located in one of the best areas of Alanya, in the district of Kestel. Due to the fact that the project is located on a high ground, the windows of the apartments will offer a beautiful view of the Mediterranean Sea, the Toros Mountains and the ancient fortress of Alanya, which is especially beautiful in the evening light. Beautiful sandy beach and well-maintained promenade are only 500 meters from the residence.

The place in which the complex will be located is surrounded by greenery, with mountain scenery, orange and banana groves, which will appreciate both lovers of relaxation and those who prefer an active lifestyle.

The residence consists of four five-storey buildings (A block of 29 apartments, B-C block of 24 apartments, D block of 20 apartments) where two-, three- and four-bedroom duplex apartments are presented.

Action! As a gift: air conditioners, household appliances, connection of meters and ISKAN even at installments!
