Description

The project is being built in the center of Alanya, on Sugözü Street. The distance from the building to Antalya Airport is 120 km, to Gazipasa Airport 40 km, to Alanya seaport 3 km.

Since the intersection of the main highway and the ring road are located in close proximity, no problems with movement and transport will arise.

All necessary institutions, such as a hospital, bank, school, etc., are within walking distance. Also, just a few steps from the building there is a vegetable and fish market, where you can always find the freshest products of the season.

Shops, supermarkets, cafes and restaurants are located on the same line with the project and Cleopatra Beach, where the blue flag is installed, can be reached by walking 1100 meters.
