## Description

We present a new large complex of 6 houses on the fenced area with common areas, swimming pool. This will be a large-scale project on the territory of the resort of Alanya, in the part of the city where a large number of foreign families live permanently.

Apartment: 1+1, 2+1, duplex penthouse 2+1, 3+1, 4+1, garden duplexes 2+1, 3+1.

Oba District is considered one of the best sleeping areas. Here are the only so far, shopping center Alanium (and a new one is under construction), Metro hypermarket and construction and economic hypermarket Koştash, a large new hospital and many other institutions necessary for permanent residence in Turkey. Here you will also find gardens, schools, colleges, education for children of any age will be available after obtaining a residence permit for the purchase of an apartment.

The Oba district is heavily developed in the direction of the mountains, and in this part of the district there is mainly a modern European type development - closed complexes with swimming pools. A new town hall is also being built in the area.

The beaches in Oba are all free municipal, sand and pebble, with infrastructure, numerous cafes and chargeable sunbeds if necessary.

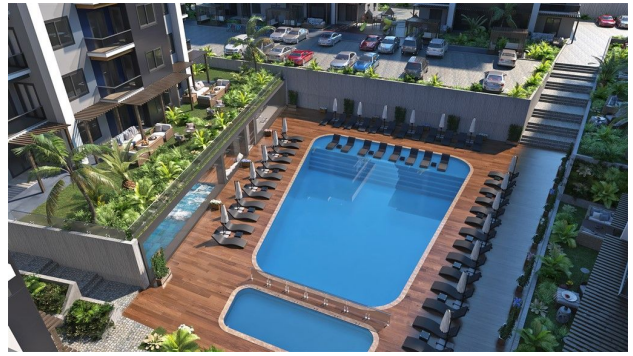

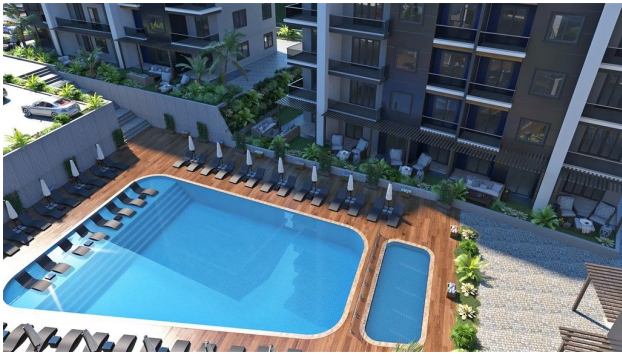

Technical characteristics and quality of construction: facades of buildings mechanical ceramics; roofs with insulation panel, heat and water insulation; plaster plaster walls painting, paint 1st class; entrance stairs to the building of marble; video intercom, connected to the living room in each apartment and TV system in each room and kitchen; generator in the complex; elevators.
