Description

We present a new project in Alanya-Mahmutlar district. The project of the complex has been worked out in detail by the best architects and has been carefully thought out to the smallest detail. The construction will use environmentally friendly materials of the highest quality and modern technologies.

The main priority of the project is close to the sea, only 150 meters. Water hours all the developed infrastructure of the city is located in walking distance.

The complex provides all the infrastructure for the most comfortable stay and relaxation: swimming pool, sauna, hammam, jacuzzi, fitness, well-maintained garden, video surveillance and security system.

The LCD is planned to be built on a plot of 1.173 sq.m. The project consists of one 9-storey block and 40 apartments of different layout.

Characteristics of apartments:

- Steel Entrance Doors
- Double Glazed PVC Windows
- Floors - tiles
- Walls - waterproof paint
- Kitchen with full set of furniture and granite countertop
- Bathrooms with full set of plumbing and furniture
- Main and secondary lighting
- Satellite TV

Start of construction - 30.10.2021

Completion of construction - 31.12.2022

Information updated 20.03.2025
