Description

We are glad to present a new exclusive project in the Alanya region - Kargicak.

The new flagship on the Alanya coast is a premium-class residential complex on the first line from the Mediterranean Sea in a small ecologically clean area of Alanya - Kargicak.

Futuristic and unique design, a stunning atmosphere of the sea space from your windows - soothing, filled with the contemplation of all shades of blue and azure, colorful bursts of Mediterranean sunsets, a kaleidoscope of evening lights of the ancient Alanya fortress. Sea view from each apartment - we have collected in our project all the most daring ideas. We have chosen an excellent location; we have developed a unique design, and we have calculated every centimeter of the project in order to build a complex of a new level for you. For those who really appreciate quality, environmental friendliness, discreet luxury, and unity with nature. Our aspiration is a house where you will get the genuine pleasure of living a measured life with comfort and safety.

The complex with the infrastructure of a five-star hotel comprises two 6-story blocks with a total area of 2,387.46 m². Located 50 meters from the sandy beaches and the promenade.

Using our experience, we choose only new technologies and high-quality materials for construction. When designing, all the latest requirements for architectural standards and design innovations were considered. Allowing you to plunge into luxury in the bosom of nature of the year. Excellent investment prospects at the start of construction. Promising high rental income opportunities.
