Description

Three-level commercial premises for sale with ready tenants, Alanya

Alanya is an atmospheric resort town on the Mediterranean coast of Turkey. Despite the remoteness of the airports, it is popular among vacationers. Tourists are attracted by the warm sea, beaches marked with the Blue Flag, and affordable prices. Here, for everyone, there is a rest to their liking and pocket. For lovers of secluded relaxation, areas remote from party places are suitable, where you can sip soft drinks on the beach in silence and not get out of the hotel at all. Young people will enjoy club hotels and noisy parties near the pier and in the center of the resort.

For those who cannot imagine a vacation without excursions and trips, there are many attractions in the city and its environs - towers, ancient fortresses, mosques, and other buildings. Of the natural beauties of particular interest are the caves of Alanya with stalactites, stalagmites, and underground lakes.
