Comfortable life

This residential complex invites you to luxury living with the advantage of using the garden as if you were living in a private villa. The windows of the rooms overlook the garden, which will be one step away from you and you will enjoy the moment on the sun loungers right in front of your door.

Apartment features

- Kitchen Cabinet
- Built-in bathroom
- Floor ceramic coating
- Concealed LED lighting in ceilings
- Sound and heat-insulated window system
- Quality wooden doors for rooms
- Cable satellite TV system
- Video intercom
- Steel door
- Internet

When planning your apartments, we prioritized a spacious façade, open living space, and functionality.

Another feature that makes the complex special is that it is in such a way that the facade of the building does not obstruct the view from the balconies and windows. All apartments in our project overlook lushly landscaped areas.

Completion of the construction of the complex - June 2023.
