Description

The new residential complex is in the Alanya, Kargicak area.

The complex will comprise one six-story building and apartments of various layouts: 2+1 and 3+1 penthouses. All apartments will be rented with a fine finish.

Kargıcak is the easternmost district of Alanya and, perhaps, one of the most picturesque and quiet corners of this part of the resort Mediterranean coast in Turkey. This is one of the rapidly developing areas of Alanya, which is distinguished by low-rise buildings, lots of greenery, and excellent small-pebble beaches.

About location:

The complex is in Alanya, 200 meters from the promenade and the beach. Near the complex, there is a small shopping center with a supermarket, restaurant, and shops.

Thanks to public transport, you can conveniently reach the city center, main areas and many attractions, including the famous Cleopatra Beach.

Kargıcak is surrounded by forest vegetation, mostly represented by coniferous trees. There are also bananas and orange orchards.

The complex has its own territory with infrastructure, which makes rest and living here as comfortable as possible.

Characteristics of the apartments and infrastructure:

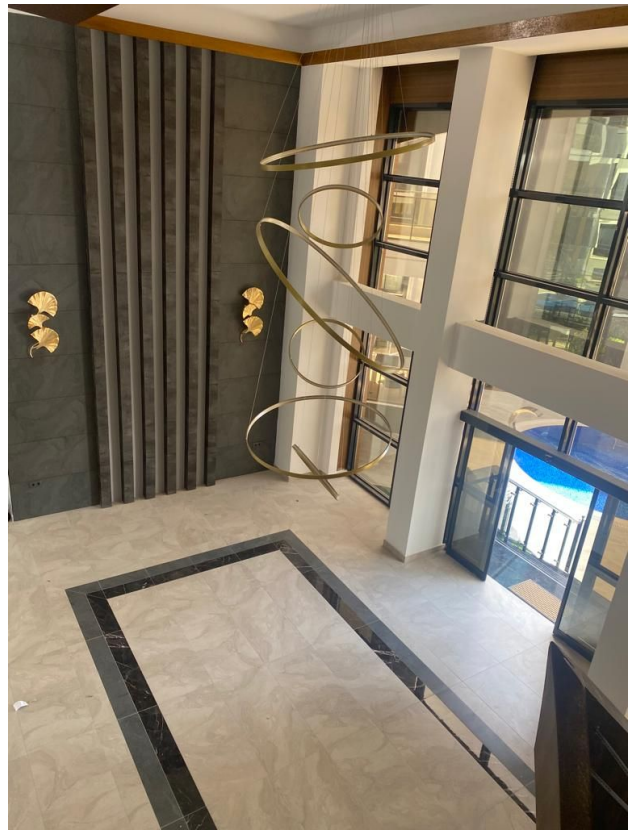

- Air conditioners are included in the price.
- Sauna
- steam room
- Bath
- Fitness
- Cinema
- Swimming pool
- Indoor pool
- Security + Concierge

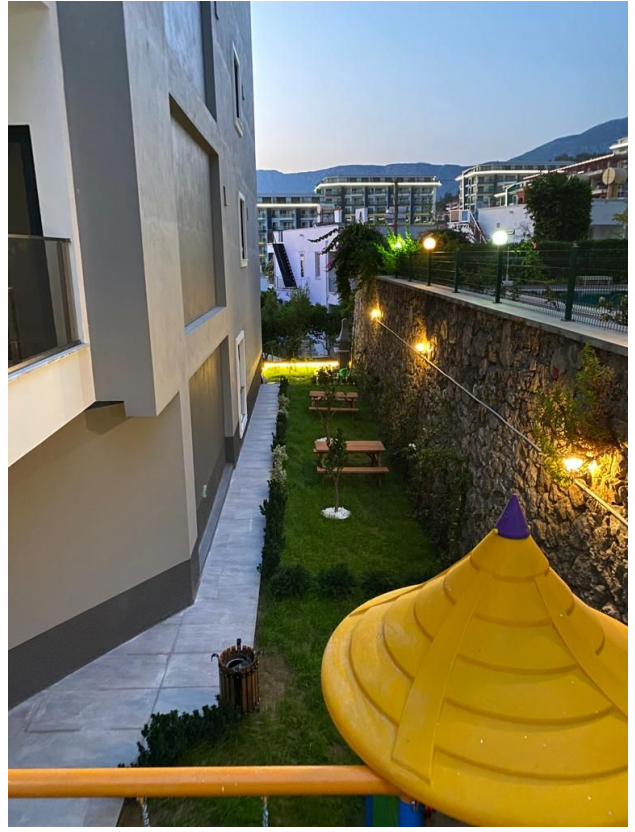

The house was commissioned in December 2022.
