Description

A new modern Premium class project located in the most beautiful and ecologically clean area of Avsallar in Alanya.

These are apartments with a beautiful and stylish design, special comfort, and panoramic views of the Mediterranean Sea.

It is here, in Avsallar, that the famous Incekum sandy beach is located, with many cafes, restaurants, boutiques and souvenir shops, and many other things that are necessary for the everyday life of a tourist or a permanent resident.

The residential complex will be built on a plot of 4.228 m² The project is a residential complex comprising 9 stories 2 blocks.

A distinctive feature of the project is that the complex is near a pine forest, and all apartments of this project have an unsurpassed view of the Mediterranean Sea.

The rich infrastructure of the project will provide its residents with an excellent opportunity to enjoy the stunning scenery while swimming in the pool or spending time with family in the open area of the complex.

Apartment owners will visit the sauna and hammam. For sports lovers, the complex will have a fitness room equipped with modern exercise equipment. In the landscape part of the residential complex, there will be gazebos for relaxation and a children's playground.

Each block will be equipped with two elevators and a fire escape.

An open car park with a canopy will be designed for cars.

For sale in the complex, there are 72 residential apartments of 2 + 1 and 3 + 1 duplex layouts with finished finishing, including:

- modern design
- stunning view balconies and terraces
- high-quality finishing materials from leading brands
- imported and local production
- cabinets with plumbing
- double-glazed windows
- built-in wardrobes in the corridor of each apartment
