Description

The project deserves the title of the Best of the Best!

Our new elite project is inspired by the great city of Zenobia, the Queen of Palmyra!

It is with pride and honor that we present our project inspired by Palmyra, which is one of the common heritage and the greatest cultural treasures of the most famous heritages in the world. Our new project, inspired by the great city of Zenobia, the Queen of Palmyra, which has been the center of the most important events throughout history, will be a building that will

make our hearts beat faster, and its unusualness will be embodied in the reflection of reality through architecture.

Apartment type:

We offer a renewed lifestyle

Imagine amazing views of this perfectly refined the Mediterranean Sea and the dazzling sea horizon. This is an ecologically clean area with untouched green nature and clean air. Exclusive, stylish, and sun-drenched elegant living and grand entertainment have a unique design. Mediterranean life attracts attention from the moment you enter with its marble flooring.

Get trust! Benefit! lifetime profit

Luxurious apartments for sale in a fine finish with exquisite cabinet furniture, gilded mirrors in the bathroom and toilet, and elegant lamps. The skillfully designed floor plan allows it to be converted into a very large, hotel-like private room if desired. Built-in kitchen modern household appliances of well-known brands, air conditioners, PVC that maintain the optimum temperature inside, adjustable lighting, and high-quality natural materials suggest high technologies that make life easier for their future owners.

 The project is really ideal for a modern lifestyle. The property for sale can be used as a permanent residence or considered as an investment property. Flexible styling provides plenty of options to suit the wearer's lifestyle.

 Exalts luxury with its features

Besides stunning views of the Mediterranean Sea, the complex also has a landscaped garden, children's playground and swimming pool, and water park, making it the perfect choice for

families who love to relax and have fun. This is an object that will appeal to investors. It provides an opportunity to rent apartments with a high yield. The location of complex is in one of the most sought-after villages in Alanya, Kargicak, for domestic and foreign buyers and tenants. It is a lush oasis in a secluded yet accessible location with several distinctive features that make for a magical everyday setting. The complex has many open spaces and green paths, as well as parks for walking or places to keep fit and active. These are a fitness center, spa, and Turkish bath. Retail shops, restaurants of famous chefs, and markets of famous brands are in the immediate vicinity. With great round-trip times to key parts of the city, this is the place you'll want to return to every day.
