Description

Developed infrastructure to meet all your needs, as well as well-established educational institutions, in proximity. The complex is located 4 km from the airport and 2 km from the beach. It is also located 500 m from the city center.

Through our project, we aim to improve the quality of your life, as well as that of your guests. A swimming pool, playgrounds and a barbecue area will make your vacation complete. Our brand is a candidate of choice for those who do not want to sacrifice quality in favor of spacious rooms and materials used in construction.

The design of the outdoor pool includes a large terrace and sunbathing area. Our outdoor pool will appeal to both adults and children.
