# Description

Our investment project **Hayat Green Tower** is located in the green area of Avsallar, Alanya. There is all the social and tourist infrastructure: for recreation by the sea and nature, and for permanent residence.

In Avsallar the best beaches and a unique bay surrounded by forests! Here are mainly new buildings and low private villas, small density of houses and beautiful views of nature, mountains, sea :)

The building itself is located in one of the largest and perfect on infrastructure complexes, both Avsallar and the whole Alanya. The residents of Hayat Green Tower will be able to use all the internal infrastructure and territory of a large complex:

- Outdoor and indoor swimming pools
- Children's playroom
- Fitness
- Hammam
- Sauna
- Barbecue area
- Pool Lounge

The internal infrastructure is located under blocks A and B1.

Within walking distance there is a coniferous forest, to the beach and the bazaar will run shuttle. Thus, a unique location is created with its microclimate, the only one in Avsallar, and one of the few outside the center of Alanya, where residents will have virtually no household need to start a car and leave the residential district.
