Description

The residential complex is located in the ecologically clean area of Alanya Kargıcak, surrounded by a pine forest, at the foot of the Taurus Mountains. This is the concept of modern, comfortable, highly functional housing of the premium segment. Listen to the sound of the surf and the singing of birds, feel the salty breeze and the aroma of blooming Mediterranean gardens, admire the views of the endless azure sea and majestic mountains by choosing an apartment in this project.

Private garden options await you in this project that offers private living spaces with walking paths, sports fields, and garden apartments made up of 96 residences intertwined with nature. Another advantage of our project is heated floors in bathrooms in all apartments, as well as in the living rooms of garden duplexes.

For this project, payment in installments is considered. The first payment is 50%, and the rest of the payment can be paid by bank credit or in monthly installments up to a 24-month period.

Project completion date 01.10.2024

The project offers many opportunities for homeowners. Walking paths, activity area, cafe, main pool, communal pool, water park, multifunctional sports field (basketball, football, tennis), barbecue/barbecue areas, gym, and playground are waiting for new homeowners in this attractive project.
