Description

Avsallar is on the road to Antalya Airport, 25 km from Alanya. There are enough urban opportunities for life, but it is famous for its nature and clean air that comes to the fore. This is an ecological city, with the world-famous Incekum beach. The freshest fruits, vegetables, and

organic products can be found in markets open on certain days of the week. There are 5 hospitals, polyclinics, 7 pharmacies, 4 veterinary clinics, and dental clinics in the center of Avsallar. There are also branches of international freight companies. It is a very popular area for investment and for a quiet daily life in nature.

The complex will be built on a total area of 1009 m² and promises you a healthy life surrounded by panoramic views of nature and plenty of pure oxygen. The complex has an outdoor swimming pool, sauna, gym, and indoor and outdoor children's playgrounds to enjoy your time.

Our project is located just 1 km from the center of Avsallar, 25 km from the center of Alanya, and 1.2 km from the beach. In addition, our project is within walking distance of chain markets, such as Migros, Carrefour, A101, and Bim. We are ready to make a presentation and get acquainted with our professional team.
