Description

Alanya region of Antalya, the pearl of the Mediterranean, Avsallar offers magical pleasures with its wide and long beaches.

Incekum and Fugla are the most popular beaches. Avsallar has been an important center for domestic and foreign tourists, along with urban settlements and hotels in the region. Bananas and avocados are the region's staple foods. Avsallar is a social and international destination with 22 sister cities.

The project comprises 9 floors.

On the first 8 floors, there are 8 duplexes 1+1, on the 9th floor there are 2 duplexes 1+1 and 8 duplexes 2+1.

The beach is only 2 km away.
