## Description

### **Apartments in a complex from a developer in Gazipasa, Alanya**

The complex is being built in the center of Gazipasa, in a new quarter with a developed infrastructure, next to the city park area (two huge new parks nearby), 4 km from the international airport.

Within walking distance, there is a yacht marina, two protected beaches (Coru and Selinus), the ancient Selinus castle, and plantations of tropical fruits - bananas, kiwi, passionflower, avocados, mangoes, etc. The territory of the residence is 2264 m<sup>2</sup>:

- tropical garden

- landscape design
- barbecue gazebos

### **Type of presented apartments for sale:**

1+1, 2+1, 3+1, variants, 1 block total, comprises 25 independent units.

### **Characteristics of the apartments:**

The complex offers you spacious living spaces with architecture inspired by nature. Apartments that receive a lot of light thanks to panoramic wide windows also have magnificent views that integrate with the skyline of your homes.

The quality of materials and workmanship is far above the standards, which makes comfort at its best.

Attention to detail adds all the comforts of quality life to your life so you can live happily with your loved ones.

### **Social infrastructure:**

- Outdoor swimming pool
- Outdoor children's playgrounds
- Fitness Centre
- parking
- 24/7 security
