Description

We present to your attention a premium-class residential complex in one of the promising areas of Alanya - Payallar, just 14 km from the center of Alanya and 2200 meters from the Mediterranean Sea.

The complex has excellent investment prospects. The apartments can be used for your own recreation, and are also a great option for long-term or short-term rental.

The project includes two residential 8-story buildings of elegant classical architecture in a closed, protected area. The apartments in the complex are planned to take into account year round comfortable living. All apartments are rented with a fine finish, a kitchen set, and a bathroom equipped with modern plumbing, you will only have to choose furniture and appliances to your liking. The complex will have all the necessary infrastructure for life and recreation. Near the complex, there are kindergartens, schools, and lyceums, a new hospital, a

pharmacy, a farmers' market, shops and supermarkets, cafes and restaurants, football and basketball courts, and an extensive walking area.
