Center of Alanya. Here are the most famous sights of the city. The best shops, clubs, and restaurants. It is in this part that the visiting card of the city is located - the Alanya fortress, around which the central region of Alanya is located. But the most important thing that attracts future owners of apartments in Alanya by the sea is the incredible beauty and length of Cleopatra Beach.

The residence is in one of the most popular and developed areas of Alanya, just 1000 meters from the sandy Cleopatra Beach, surrounded by all the city's infrastructure, as well as absolutely all the historical sights of the city. Within walking distance are supermarkets and shops, a market, restaurants and cafes, a clinic, a school, kindergartens, a bank and ATMs, a post office, and pharmacies.

The complex will be represented by two 9-story blocks with apartments of various layouts and a common area for entertainment and leisure on the ground floor. The infrastructure of the complex is planned to be diversified and meet all the needs of a modern person. It is a land plot area of 2,429 sq.m. The blocks will be built in 97 apartments.
