Description

Villas for sale under design in Avsallar, Alanya

The Avsallar area is famous for its coniferous plantations, sandy beach, and clean environment. This is a great place for permanent residence or vacation.

Here, next to Turkler pine park, the construction of country houses has begun. Life here is to enjoy the freshness of clean coniferous air and the tranquility of the area.

The villas will be built on a plot of land of 1000 m2.

Since the site, where the construction of 3 interconnected houses will soon begin, is on a hill, the views of the Mediterranean Sea open already from the 1st entrance floor.

- The fine sandy beach of Incekum is only 650 meters away.
- To Antalya Airport: 100 km
- Gazipasa Airport 70 km
- To the center of Alanya 30 km

Despite the fact that each villa is connected to an adjacent wall, it still has a separate entrance and is designed for independent living.

The villas will be built in a high-tech style with natural, high-quality Eco materials: stone, wood, and glass. The most advanced technologies will be used during construction.

Your villa, as a constructor, can be equipped with any options that you like. We will take into account all your wishes.

CHARACTERISTICS OF THE VILLAS:

- Each villa has its own private jacuzzi pool.
- As an option, it can be closed for the winter and work with a heating function.
- Access to the pool from the living room.

The areas of the pools are listed below:

- Villa 1 - 31 m²
- Villa 2 - 26 m²
- Villa 3 - 31 m²

On the second floor on the back side of the villa, there is a special place of 8 m², which can be used as a place for technical communications, installation of a generator, or storage of inventory.
