Description

Apartments from a developer in the area of Avsallar. Purchase of an apartment in this residential complex, this is a profitable investment of money. High level of service, smart planning solutions, self-sufficient infrastructure, transfer to the sea, affordable pricing policy - the most obvious advantages.

The residence is built in the rapidly developing resort area of Alanya - Avsallar. The infrastructure of this area provides all conditions for comfortable living and recreation: banks, supermarkets, fitness centers, cafes and restaurants, kindergarten, schools, medical center, pharmacies, etc. Pleasant bonus - favorable environmental environment. The center of Alanya 23 km.

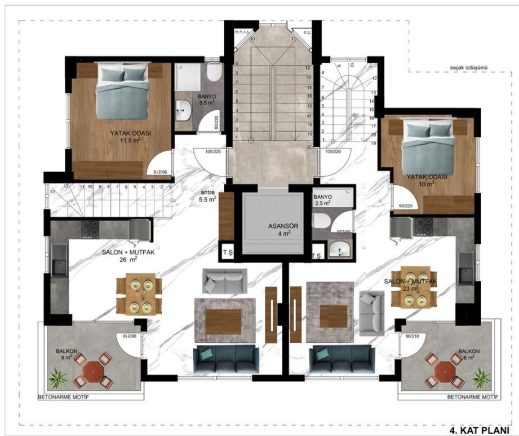

The commissioning of the complex is planned for February 2023. Until the end of construction, there is an interest-free instalment payment.

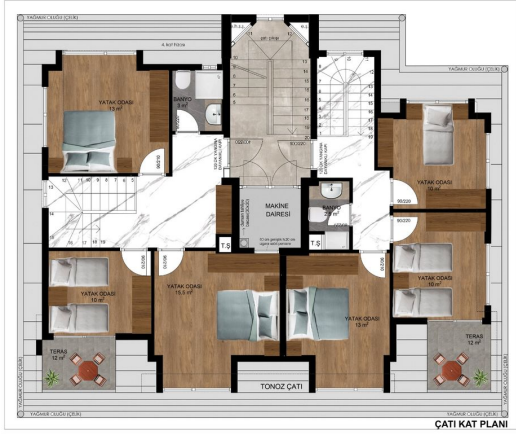

Infrastructure:

- barbecue area
- playground
- specific apartments
- storage space
- 6 € per month
