Avsallar is located on the road to Antalya Airport, 25 km from Alanya. Although there are enough urban opportunities for life in it, it came to the fore with its nature and pure oxygen. This is an ecologically clean area with the world famous Incekum beach. The freshest fruits, vegetables and organic products can be found in shops, as well as markets open on certain days of the week.

In the center of Avsallar:

- 5 hospitals and clinics
- 7 pharmacies
- 4 veterinary clinics
- dental clinics
- branches of international cargo companies within walking distance from our project

It is a very popular area for investment as well as for a quiet daily life in nature.

Branches of international freight companies are also within walking distance from our project.

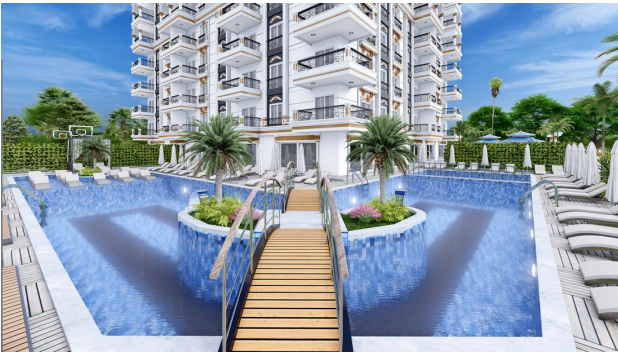

It is a very popular area for investment as well as for a quiet daily life in nature.
