Description

Our residential complex will be located in one of the most attractive parts of our region - in the Cleopatra beach area.

Location:

Construction will take place in the Mamadı / Büyükhasbahçe area. Behind the bypass road.

At the moment, there is no dense building in the area. Only low-rise buildings are allowed.

The area is loved for its silence, tranquility and the surrounding forest. Biyukkhasbahce is located on the slope of the Taurus Mountains, which provides a wonderful panoramic view of the sea, the fortress and the entire city.

- Distance:
- urban infrastructure (schools, hospitals, kindergartens, government institutions, etc.) are located within a radius of 700 meters.
- the distance from the building to Antalya Airport is 120 km,
- to Gazipasa airport 40 km,
