Description

Oba is a popular area known for its proximity to the sea, nature and the city, dominated by orange and lemon groves.

Located 500 meters from the Alanya Teaching and Research Hospital, our project is well suited for both living and investment as it is located in a developing area. One of the new and rare projects, located just 300 meters from Metro Gross Market and is proximity to Starbucks, Kahve Dunyası, Barbecue Olive Garden and many popular cafes and restaurants.

The residential complex is located 1.3 km from the waterfront of the Oba district, and there are many beach establishments in this area. You can swim in the warm and clear waters of the Mediterranean Sea at these beaches, where there is a variety of food and drink.
