Description

Avsallar received a geographically favorable location, it is located in a bay protected from the winds, and good infrastructure and excellent hotels have turned it into a favorite vacation spot for many of our compatriots. At the same time, Avsallar is quite compact and it will not be difficult to go through it on foot.

Glades, beaches and lawns of Avsallar are a favorite place for picnics for respectable Turkish and European families living in Alanya. Nature strikes with its beauty and diversity: the sea, mountains, pines - the purest intoxicating air.

It is in this piece of paradise that our new complex will be located.

The project consists of 20 apartments:
