Description

The new project will be located in the prestigious **Oba** area, next to the famous Alanyum shopping center, Metro hypermarket, Kochtash store and, last but not least, very close location to the Alanya State Hospital. Within walking distance are many restaurants, shops, markets, schools and kindergartens. Despite this, the area is very quiet, with large orange orchards nearby.

The boutique complex will consist of one 4-storey block with **1+1** apartments and **2+1 duplexes**, totaling 15 apartments.

On the cozy territory of the complex will be located:

- swimming pool,
- Children's swimming pool,
- children playground,
- barbecue area.

On the entrance floor of the complex there will be a fitness room and a sauna. The distance to the sea is 900 m.

By purchasing apartments in this complex, you are making a very profitable investment, because after commissioning in **April 2023**, the prices for the project will increase significantly.

With a down payment of 40%, you get an interest-free installment until the end of construction.
