Description

A new elite residential complex of premium class in one of the most promising areas of **Antalya - Altıntaş**.

The developing area of Altıntaş (Lara) occupies a leading position in the Antalya real estate sales market.

Altıntaş takes into account all the requirements for modern living conditions. The area has become a new investment platform where investors can recoup their investments in a short time.

The residential complex with the concept of a 5-star hotel consists of four 8-storey blocks, in which there are a total of 250 apartments. Located on a plot of 17,250 m².

LOCATION

The plot for the construction of a residential complex is located at the highest point of the Altyntash district relative to sea level, thanks to which the owners of apartments from the 4th floor and above will have a stunning view of the sea and the city from the window.

The area around the complex is built up with elite private villas on three sides.

- To the Airport – 10 min
- To the sea - 10 min
- To the shopping center TerraCity - 15 min
- To Mall of Antalya and IKEA - 10 min

INFRASTRUCTURE

The total number of apartments in the project is 250 sq.

The building plot area is 17,250 m².

Solar panels will be installed in the residential complex to generate electricity, which will reduce overall energy consumption by at least 20%.
