Description

This unique high standard house is located on the hill of Avsallar, with magnificent views of the 2800 m² sea, mountains, as well as the city of Avsallar and the stunning Taurus Mountains.

Avsallar is one of the promising areas in the Antalya region, which makes an apartment in this project a good investment. Beautiful promenades, a new city center and many new shops, services and restaurants built in the area make Avsallar a very attractive area, at the same time the surroundings are very natural and unspoilt, making the environment and scenery unique.

The project itself consists of 50 luxury apartments.

All of them with great views and swimming pool.

The project has many alternative sizes and options, such as:

- one bedroom and living room (1 + 1),
- penthouse apartments three bedrooms and one living room (3 + 1).

Avsallar Beach is one of the best and safest beaches in Turkey with smooth golden sands and a Blue A+ level bay in the world.

Another advantage of Avsallar is the high promised area and well developed area, which is only 50 km from Alanya airport and only 100 km from Antalya airport in about 1 hour.
