Description

The project consists of 110 villas, spread among the tropical nature of the jungle. 4.1 hectares of landscaped area for a comfortable life.

The complex will be located in Ubud - the most promising area in Bali for investment.

Resale of villas with an area of 40 - 80 m2.

- 3 restaurants
- health and fitness centers
- outdoor public pools
- sports grounds
- parking area for 80 places

The idea of a "small town in the city" in a closed area of the complex has been fully thought out.

The concept of the complex is the complete safety of all residents and their children!

On the territory you will not find racing bikes, dogs and unsafe places.

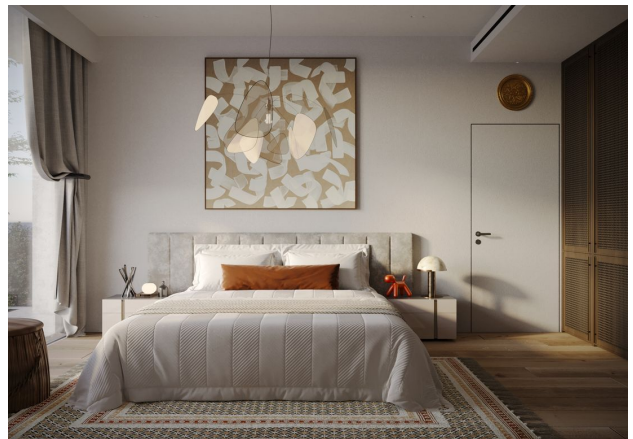

The whole territory is under the protection of one of the best organizations.
