Description

Apartments in a modern small residential complex in the center of Alanya.

This project will be interesting both as an investment and for living.

The city center is open for residence permits.

This residential complex has an excellent location - in the very center of Alanya, 300 meters from Ataturk Boulevard and 650 meters from the embankment and Keykubat beach.

Within a radius of 500 meters from the house there are large chain and crazy stores, many cafes and restaurants.

The project is represented by one 5-storey building, in which the first floor is reserved for commercial real estate, the remaining 4 are residential, plus an attic floor.

It will be a modern urban-type house with minimal infrastructure:

- sauna
- fitness
- elevator

There are 17 apartments in total.

There are two types of floor plans for sale:

- 1+1 area 49.5-56 m²
- 1+1 with 40+20 m² garden

The price of the apartment includes full finishing, air conditioners in all rooms, a kitchen set and complete bathrooms.

At the construction stage, there is an interest-free installment plan at 0% with a minimum initial payment of 30%.

Construction start date: 30.09.2022

Construction completion date: 30.07.2023
