Description

Luxury villas where you can enjoy a premium lifestyle and experience real space.

Layouts:

- 3 bedroom villa
- 5 bedroom villa

The area of the villas is 210-830 m².

The combination of functionality and modern technology has made it possible to create a unique design that delights with its beauty and elegance.

Every centimeter of space is thought out to the smallest detail using premium building materials with high performance characteristics.

We have provided 4.5 meters of space to the pool to arrange different areas for your perfect holiday.

We select only high-quality materials with high performance in accordance with the climatic features of the island.

Furniture, assembled by hand on an individual project.

A panoramic window overlooking the tropical garden with swimming pool provides natural light and a sense of harmony with nature. Jacuzzi at the highest point of the villa with stunning

panoramic views of Bali.

High potential for profitability and growth in property value.

Projected yield (for the first 3 years from current prices) 12-15%.

Completion date: beginning of the 4th quarter of 2023.

Information updated: 05.08.2024
