Description

The residential complex is located on 1426 square meters in Payallar, a beautiful place in Alanya, and consists of 1 block and 5 floors. The apartments have a forest view.

The project, which promises a comfortable life with outdoor living areas and a garden, is the best project in the region.

The project allows you to control your home from anywhere thanks to smart home systems, and gives you more control freedom thanks to its technological infrastructure.

The complex is located 2 kilometers from the sea, located next to the leading 5-star hotels in Alanya, shopping centers, schools and beaches.

Apartment plans:

- 21 apartments 1+1
- 7 apartments 2+1 duplex

Infrastructure of the complex:

- A fitness center
- steam room
- Pool
- professional garden architecture
- Garden with camellias and fruit trees

Earthquake isolators are used in the construction, which are a simple but effective system designed against earthquakes, protecting the entire structure from the damaging effects of an earthquake.

Construction start date: 30.03.2023

Construction completion date: 30.06.2024

Information updated: 08.11.2024
