Description

The residential complex is located in MASADAGI, Cankaya district, in the city center and only 6 km from the sea.

The project consists of one block and is intended for people who want to live close to the center and nature.

The project has the quality of construction of the upper segment and attracts attention with its appearance, internal architecture and technical characteristics.

Compared to the center of Antalya, it is 7 degrees colder here, and the humidity is much lower.

It is 500 meters from the newly opened city hospital and the eastern ring road.

Apartment layout:

- 2+1 with separate or open modular system
- 4+1 attic duplexes

- 4+1 garden duplexes with winter gardens

The main features of the project:

- The height will be the same as shown in the pictures.
- Outdoor swimming pool in the garden
- Children playground
- A fitness center
- Sauna
- steam room
- Residential Pool View Camellia BBQ Area
- Central vacuum cleaner
- Electric shutter made of aluminum lamellas
- Possibility of remote control of blinds, lighting and video surveillance cameras using the "smart home" system
- Surveillance cameras
- Outdoor parking for your car
- 24 hour security and waiting room
