This new project invites you to live in an ideal area of Alanya overlooking the sea and Alanya Castle. The complex has everything you need to find.

A new residential complex, quite special in its architectural idea, is located near the center of Alanya - in the Hasbakhce area, 650 meters from the picturesque Mediterranean Sea.

Hasbakhce is located above the center of the resort of Alanya, in the direction of the Taurus Mountains, which fascinate with their grandeur. This area is valued for permanent residence by both the Turks themselves and foreigners because of the seclusion of the city noise and at the same time walking distance to the city center with its thoughtful infrastructure and

attractions.

The low-rise building is complemented in Hasbahçe by magnificent views of the surrounding Mediterranean beauty.
