Description

New residential complex on the Costa Blanca, located in the Valc3n de Finestrat area, close to Benidorm, the beaches and the Puig Campana golf course.

Excellent location and developed social infrastructure. The first phase of the residential complex includes 30 apartments and 14 townhouses. Just 5 minutes by car from Finestrat and the beaches of Benidorm.

Spacious townhouses with 3 bedrooms and 3 bathrooms, with private patio and solarium.

Comfortable layout and beautiful views of the private gardens, common areas with swimming pool, the surrounding nature, the Benidorm skyline and the sea.

Some models include a basement. All floors are interconnected by an internal staircase. Built in excellent quality, the new houses form a comfortable residential complex with private parking, storage rooms, green recreation areas, a children's playground and a swimming pool.

All the services necessary for life and recreation are within a five-minute drive: a large shopping center (La Marina), restaurants, international English schools, theme parks and zoos, the best hotels in the city, golf courses and, of course, beaches. Beaches for every taste are at your disposal: the spacious and endless Poniente beach in Benidorm, the cozy bay in La Cala

Finestrat or the natural Torres beach in Villajoyosa.

It is a great privilege to live in a quiet area, surrounded by nature, but close to the infrastructure of a big city.

The natural environment, the excellent location between the cities of Finestrat and Benidorm, the proximity to the infrastructure and the best beaches of the Costa Blanca make this complex one of the best options for buying property for yourself or as an investment.

The object is under construction.

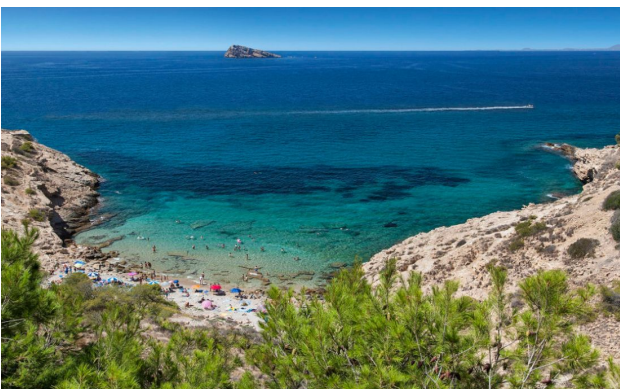

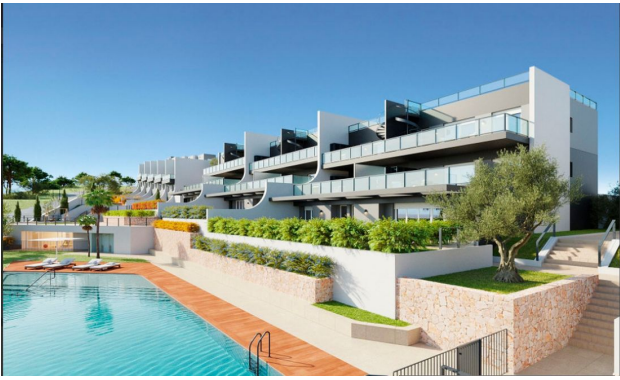

Installment payment for the entire period of construction. Bank guarantee for the paid amounts.

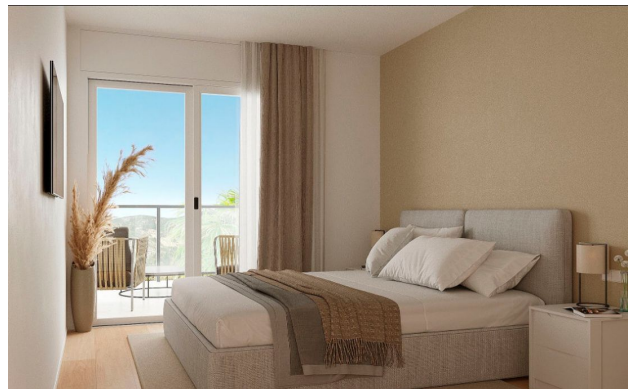

Construction completion date: May 2025.
