Description

The new project will be built on its own purchased land with a total area of 10.155 m², purchased at the expense of the company's capital.

The collection has a unique architecture designed by architect Adil Okur.

A wide variety of apartment layouts, some in the garden, some with private terraces:

- 1+1
- 2+1

The complex, which will have its own beach in the Lara area, is intended only for residents of Koleksiyon Beach, Antalya.

There will also be a shuttle service to shopping centers.

The payment plan is 35% of the sale price in the contract, and the remaining 65% payment until the end of construction will be paid every 3 months.

Infrastructure of the complex:

- Lobby - reception desk

- Covered parking
- Universal car charger for electric vehicles
- Outdoor pool (for adults and children)
- Indoor pool
- Spa (Turkish bath, sauna, gym, steam room, salt room, heat, massage rooms and VIP spa room)
- Solar energy (50% of the energy used in social areas will be produced by solar panels).
- Playgrounds
- Playground
- Free entrance to the beach (VIP card)
- Free shuttle service (to the beach, airport and malls)
- TV and satellite system
- 7/24 Security and video surveillance systems

Distance to important points:

- 500 m to the airport
- Shopping Center (Mall Of, Deepo, Agora and Ikea) 4 km
- 3. 5 km to Lara beach

Building features:

- Compliant with earthquake regulations
- Complies with building control regulations
- Complies with fire safety regulations
- Conducted soil survey
- Generator

Construction will start: 30.09.2023

Construction will be completed: 30.12.2025

Information updated: 27.01.2025
