The residential complex is being built on a total area of 420 m² and promises you a healthy life surrounded by panoramic views of nature and plenty of pure oxygen.

Avsallar is located on the road to Antalya Airport, 25 km from Alanya. Although there are enough urban opportunities for life in it, it came to the fore with its nature and pure oxygen. This is an ecologically clean area with the world famous Incekum beach.

The freshest fruits, vegetables and organic products can be found in shops, as well as markets open on certain days of the week.

There are 5 hospitals and clinics, 7 pharmacies, 4 veterinary clinics and dental clinics in the center of Avsallar. There are also branches of international cargo companies within walking distance from our project. It is a very popular area for investment as well as for a quiet daily life in nature.
