Description

Aiming to become a metropolis at a rapid pace, Alanya continues to grow along with Oba.

This area beats like the second heart of Alanya with its proximity to the sea and the center. The area is home to many five-star hotels, stadiums and entertainment venues.

The residential complex comes to life in the heart of Oba.

This project is four minutes from the Mediterranean breeze and the sea, ten minutes from the city and half an hour from Gazipasa Airport.

The project also attracts attention due to its distance - only a few minutes walk from the hospital, school, supermarkets and the city market.

It is a high-quality building consisting of one block and 5 floors, with an area of 1131.2 m².
