Description

Apartments and offices in Istanbul, Kagitane district, in a mega-complex that includes shops and a hotel.

A grand residential complex of 4 blocks, located in Istanbul, Kagitane district, includes a hotel, offices, shops and residential apartments, the purchase of which is possible with installment payment.

A mixed-use development near the center of Istanbul promises to be a landmark project in Kagitan, one of the city's most dynamic areas.

The project, which is scheduled for completion in 2023, consists of 4 separate blocks, the construction area is 105,000 square meters. Located across from the Axis Mall and next to the Four Point Hotel, the development will include commercial and residential space, along with social leisure and entertainment facilities.

Four blocks of buildings perform different functions, decorating the skyline of Istanbul in an architectural and urban style. One of the buildings is a luxury hotel with 173 rooms, 7

conference rooms and a total area of 688 m²; the other two are reserved for shops and offices.

Finally, the fourth building will include residential apartments.

A residential mega-complex, a "city within a city", including offices, a hotel, streets and 38 retail stores, will become a fully functional object of urban infrastructure and will be able to satisfy all the needs of residents.

Apartment formats:
