Description

Rising 3,000 square meters above ground on the Anatolian side of Istanbul, the developer has recently completed the final details of this project and it is ready to move in.

There are seventy-seven apartments in the complex, and apartment types range from inexpensive one-bedroom apartments to spacious three-bedroom family apartments. Homeowners will enjoy various amenities such as:

pool,
Fitness Centre,
steam room,
sauna and special places for children.

The high ceilings of the apartments are a big plus and most of the apartments are very spacious compared to other apartments in similar projects.

The location of the project is also very important and offers various transportation options for homeowners.

From the apartments you can easily reach the metro station in 10 minutes or walk to the new Marmaray high-speed train in a couple of minutes.

It is also about 15 minutes drive from Sabiha Gokcen International Airport.

The project is located on the Asian side of Istanbul, specifically in the Kartal area, a growing and prosperous region on the Asian side, with the goal of seeing all the shades of the Sea of Marmara.

The area has several schools, hospitals, cafes and public parks, and has a beautiful location, 900 meters from the coast of the Sea of Marmara.

Location:

- 10 km from Sabiha Airport
- 900 meters from the Sea of Marmara
- 900 meters from metro station
- 2.5 km from Kartal Medical Hospital
- 5 minutes from shopping malls

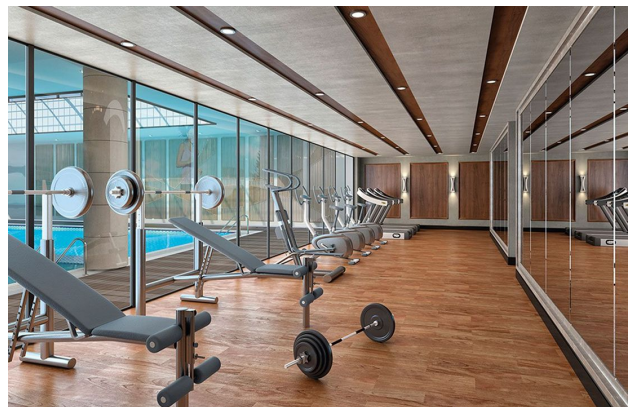

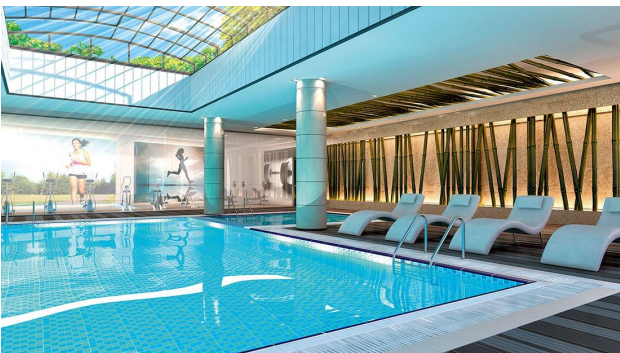

Infrastructure:

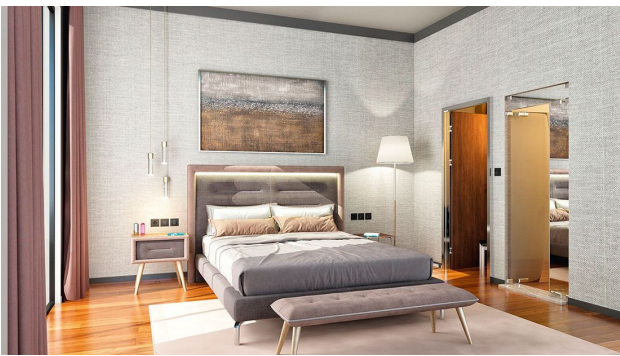

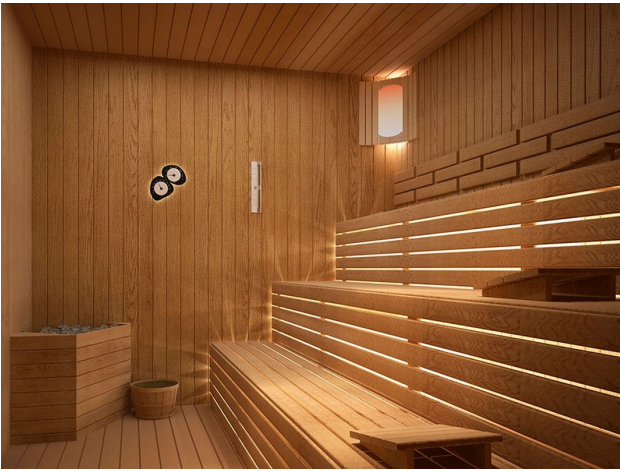

- The project is under 24/7 security
- Pool
- Parking lot for the project
- Gardens and games for children
- Sauna
- steam room
- Central heating
