- One upper townhouse 3 + 1, total area from 140 m2
- Three garden townhouses 2 + 1, total area from 110 m2
- One garden townhouse 3 + 1, total area from 140 m2

Object infrastructure:

- Open pool
- Sauna
- Turkish hammam
- Jacuzzi
- gazebos
- outdoor parking
- Video surveillance 7/24
- Concierge
- Gym

The secluded area of Bektas is located on the hills of the Taurus Mountains north of the center of Alanya, due to which amazing panoramic views of Alanya open from here.

It is this area that is most actively built up with modern villas according to foreign standards. The area is loved for its proximity to the city center, but at the same time, a quieter environment without city noise. It should also be noted that the infrastructure in the area is actively developing.
