Description

The project consists of three eight-storey buildings with 706 apartments.

The infrastructure of the complex includes a club house, which will house the office of the management company, a lobby, a gym and a multifunctional space for work and leisure.

The swimming pool in the complex is divided into three zones: for swimming, for children and a recreation area. In the park area of the complex, you can work or relax in a spacious gazebo or do sports or yoga on the lawn.

24-hour security and video surveillance, as well as charging stations for electric cars.

In the apartments: studio apartments, with 1 and 2 bedrooms.

The apartments are designed in such a way that the entire space is as convenient as possible for family vacations, as well as for long-term rental or permanent residence of the owners of the apartments.
