Description

The new project will be located 400 meters from the picturesque Mediterranean beach. The project will be a great addition to the coast, offering the residents of the complex a unique

view of the apartments, combined with excellent infrastructure.

The project is located opposite two five-star hotels with a casino on the first coastline. This will without a doubt make the residential complex an ideal choice for your investment.

Exceptional and comfortable living conditions in the new project will be offered to residents 365 days a year.

The complex consists of four towers of different heights, the first of which will become a luxury hotel, apartments from the 9th floor to the 30th floor are high-class apartments with spacious view terraces for maximum convenience of residents. A total of 701 comfortable apartments will be located in the complex.

Several types of objects are available for clients to choose from - studios, 1 + 1, 2 + 1, 3 + 1 and luxury penthouses 4 + 1 and 5 + 1.
