Description

The new residential complex is the place where you can enjoy beautiful sea views while your children play in the playground or swim in the pool.

In the complex, every minute of your life will give you unforgettable emotions.

In this project, great emphasis is placed on a landscape rich in plants. Green alleys and recreation areas cover an area of 14870 m².

The opportunity to barbecue, swim in the pool or engage in active sports, all this is in the complex.

A place for people who value comfort, quality and luxury. The rich infrastructure of the complex will give a lot of impressions and emotions to you and your children, and a closed protected area will allow you not to worry about the younger generation.
