Description

Cozy and trendy hotel rooms in the heart of Turkey's bustling city of Izmir.

The premises are designed to create a relaxed atmosphere in which it is easy to communicate, and the impressions of such a holiday will remain in your memory for a long time in the form of pleasant memories. Whether you're relaxing, socializing, working or dining, you'll find rooms at our hotel that reflect the local culture.

- The size of the land plot is 5570 m2.
- The area of the rooms is 32-70.66 m2.
- Possibility to redeem 1/4 of the room.
- Down payment 50%. Installment for 12 months.

Expected return of 10-12% per year.

- Investment model: the possibility of a risk-free return on investment.
- Since the prices of hotel rooms are indexed in foreign currency, the income of investment in hotels is also indexed in foreign currency.
- Due to the daily volatility of room prices, revenue growth does not depend on inflation throughout the year, as in traditional real estate.
- Get to know the local culture.

The hotel is unique. Unobtrusive service allows guests to be themselves. We are glad to see everyone. Our eye-catching design creates a unique setting day and night. Guests of the hotel, who come for business or leisure purposes, can enjoy both active activities and more relaxing

types of recreation.

Our staff has a simple approach to service. It's called "Yes I Can!". This means that the employees will fulfill any of your requests. They act in accordance with the principles of our hotel and have a positive attitude. They will help to satisfy all your wishes related to your stay at the hotel.

- The project combines art, entertainment and business.
- There is an entrance to the mall.
- 10 minutes from the center of Izmir.
