Description

The residential complex has been carefully designed to capture the beauty of Sierra Cortina and the Mediterranean in every corner.

The villa is characterized by spacious spaces that connect perfectly both inside and out, creating a seamless and harmonious experience. Light plays a fundamental role in highlighting and transforming architectural perspectives, giving each space a unique and special essence.

Particular attention has been paid to the choice of materials, textures and colors to achieve a cohesive aesthetic throughout the set. The careful combination of these elements creates a sense of visual harmony and a cozy atmosphere.

Going up to the second floor, we find two suites that have access to a charming outdoor terrace, ideal for relaxing in the fresh air. This home also has a basement and an English patio providing additional space and options for customizing the home to suit your tastes and needs.

In addition, additional add-on options are offered to tailor the home to your lifestyle.
