Description

The project is located in the rapidly developing region of Demirtas, east of Alanya, where pine trees grow in the north and Mediterranean breezes blow in the south.

Due to its location close to the sea, pine trees and ancient cities, Demirtas offers a peaceful retreat in Alanya.

This project comes to life in the heart of Demirtas. It attracts attention with its location near the center of Alanya, Gazipasa airport, the nearest hospital, Demirtas beach where you can enjoy the sun and sand, the ancient city of Siedra where you can find traces of the past, and the ancient city of Iotapa, which are at a distance of 5, 6 and 15 minutes .

The complex is within walking distance of a pharmacy, a supermarket and a local market, as well as close to two schools - an elementary school, a high school and all the necessary social

infrastructures and social zones.

The building, which will be built under full control and high quality, consists of one block and 7 floors and will include **1 + 1 and 2 + 1 duplex apartments**, the total area of the plot on which the project will be located consists of 2,869.84 m2. Area 52 - 117 m2.

A house with modern architecture, which is far from the crowds, noise and chaos of the city, where peace and harmony with nature awaits you.

The project allows you to have fun as well as enjoy family moments in playgrounds, adult and children's pools and barbecue areas.

Building features:

- Complies with safety regulations during earthquakes
