Description

The residential complex is located on the first line of the sea in the wonderful resort village of Elenite.

Dense beautiful forests, the Balkan Mountains and sea expanses create a unique atmosphere of peace and tranquility. The air here is so fresh that you want to breathe deeply. Thanks to such conditions, Elenite is very popular among families with children, pensioners, and people

suffering from respiratory diseases. For many, the resort village has turned into a second home, where they can not only spend a pleasant vacation, but also arrange housing for permanent residence.

Description of the apartment:

- 2 bedrooms
- area 100 m²
- sea view

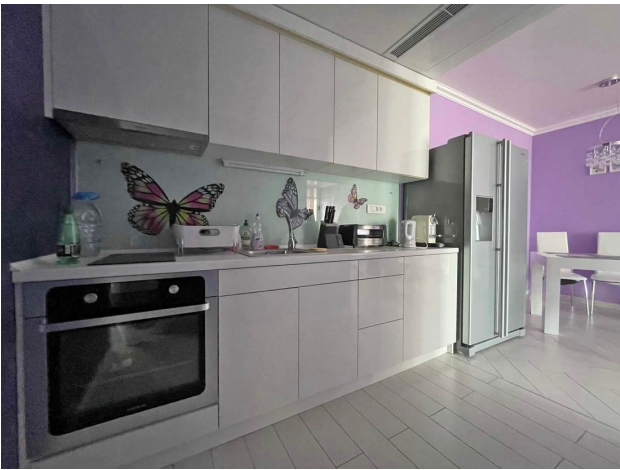

Information updated:
